## Class Information

Paradise Classes are the right place to start, providing an introduction to the ice-sports with qualified instructors. Designed for Beginner to Advanced skaters from the ages of 3 ½ years to 64, you are never too old to learn! Classes available at Avondale and Botany, please check adjacent timetable for arena schedules.

### Objectives

To provide a safe and enjoyable learning environment to increase the students: self confidence, social interaction and technical skills. Skaters progressing through our classes can then branch into three different ice-sports at either recreational or competitive level: Speed skating, Ice Hockey, Figure skating (Singles/Pairs/Dance/Synchro).

### Course Outline

Class time is 60 minutes, beginning with a group warm up. Skaters are then placed into groups appropriate to their level of skating. Last portion of the class is dedicated to fun skill games and activities. Maximum number of students to each coach is 15. Skate School coaching and testing will be carried out under the National Skate School Programme "Kiwi Skate", with a total of 12 core levels starting from beginner to figure skating level.

### Ice Hockey

All hockey classes include gear hire. It is recommended that students turn up 30 minutes early to make sure they get the correct gear and fit. Ice Hockey School instruction includes skating skills, puck handling and game strategies. Develop your skills to prepare you for the Leagues.

### Recommended Skating Equipment

It is ideal to bring along a pair of gloves, long pants, sweatshirt, and woollen socks. Skate Hire is included in course fees, Platinum hire is available for an additional fee of \$2.50 during lessons. If you wish to purchase your own skates, see the Centre Ice Pro shop on site.

Helmets are required for skaters 5 years and under, and recommended for children 6 years and over.

### Terms & Conditions

Skate School students are required to purchase the Kiwi Skate Passport; a booklet to record their progress. Paradise reserves the right to cancel the programme if the minimum number is not reached. There is a limit on our maximum participants, priority placement will be given to those who enrol and pay first.

Ask for your Orientation Letter from the office.

Please note; fees are non-refundable and non-transferable.
